

The logo for the Weald of Kent Steam Rally features the text 'WEALD OF KENT' in white, serif, uppercase letters on a red, arched banner with a gold border. Below the banner, the words 'STEAM RALLY' are written in a bold, red, sans-serif, uppercase font.

You are invited to submit an entry for the Weald of Kent Steam Rally which is to be held at Little Engeham Farm, Bethersden Road, Woodchurch, KENT TN26 3QY on the 6th and 7th August 2022.

Details of this event are as follows, and if you intend to enter, please complete and return the attached entry form to the organiser by 31st May 2022 in order that we can include engine details in the program.

The Weald of Kent Steam Rally is an opportunity for owners of engines and classic vehicles to showcase and enjoy a weekend of socialising and activities. We ask that your engine take part in the main parade each day and there will also be other events in the ring such as 'slow race', 'musical chairs', 'tug of war' etc. and we would welcome your participation during the afternoon.

Once the public have exited the show site on Saturday, there will be a road run into Woodchurch village for those wishing to enjoy a 2 mile return trip to a local public house. For those that wish to stay on site, the bar and refreshments will re-open from 19.00 hrs with evening live music during the evening.

We would like to encourage engine owners and crew to dress appropriately for the event. There is a trophy for the best engine in steam which will be presented on Sunday afternoon in the Grand Parade.

If you are bringing your engine with your own low loader please provide details in order that we can make sure there is space set aside for storage over the weekend. We understand that you may be planning your movements around other events so if you wish to bring your engine to the site earlier than the week before or leave it on site for more than a week after the event please let us know in advance.

Your engine must be insured against boiler explosion, third party and public liability risks including use on rally fields, with a minimum indemnity of £2,000,000 any one occurrence. You will be required to produce documentary evidence that such cover is in force before entering the Rally Field. If you have any queries on this matter, please contact the Rally organiser who will be able to answer any questions regarding safety policy or insurance requirements:

Bill Giles: 62 Herbert Road, South Willesborough, Ashford, KENT TN24 0DL

Tel: 07887 961730 Email: info@wealdofkentsteamrally.co.uk

Entrants will be expected to have their engines in steam / other exhibits in position by 11.00 hrs each day. Please be aware that public entry to the site will commence from 10.00 hrs so due care must be taken to make sure that your area is clean, tidy and safe. No exhibit may leave the rally field on the final day of the show before 1700 hrs without the express permission of the organisers.

We are able to offer some assistance with expenses, for full size steam engines an allowance of 20 x 25kg bags of Welsh steam coal for the weekend and expenses of £150 paid to you in cash during the Sunday of the show.

Final details and passes will be sent to exhibitors by early July 2022 and we look forward to welcoming you to the event.
