WEALD OF KENT STEAM AND COUNTRY SHOW

You are invited to submit an entry for the Weald of Kent Steam Rally which is to be held at:

Little Engeham Farm, Bethersden Road, Woodchurch, KENT TN26 3QY on the 3rd and 4th August 2024. Details of this event are as follows and if you intend to enter, please complete and return the attached entry form to the organiser by 31st May 2024.

The Weald of Kent Steam and Country Show is an opportunity for owners of vintage and classic vehicles to showcase and enjoy a weekend of socialising and activities. We ask that your vehicle take part in the respective parades each day.

Once the public have exited the show site on Saturday, there will be an unofficial road run into Woodchurch village for those wishing to enjoy a 2 mile return trip to a local public house. The local community do love to see classic vehicles in the village and welcome the sight but please be mindful of parking in the high street. For those of you that wish to stay on site, the bar and refreshments will reopen from 19.00 hrs with live music during the evening.

An area away from the main show area will be set aside for camping and caravans. Toilets and water taps will be available but please be aware that there will not be power points unless you have pre booked a serviced pitch in advance which provides a direct water and electric hook up so please plan accordingly.

NOTE: A LIMITED NUMBER OF SERVICED PITCHES WILL BE AVAILABLE ON A FIRST COME FIRST SERVED BASIS. SERVICED CAMPING PITCHES CAN BE PRE-BOOKED ONLY AND PROVIDE WATER AND ELECTRIC HOOK-UP FROM MID DAY FRIDAY UNTIL 11PM SUNDAY. PRICE FOR A PRE-BOOKED SERVICED PITCH IS £40.00. PLEASE EMAIL YOUR REQUEST WITH CONTACT DETAILS USING 'SERVICED CAMPING PITCH' IN THE REFERENCE BAR.

If you are bringing your vehicle by trailer please provide details in order that we can make sure there is space set aside for storage over the weekend. We understand that you may be planning your movements around other events so if you wish to bring your vehicle to the site earlier than the week before or leave it on site for more than a week after the event please let us know in advance.

Your vehicle must be insured, third party and public liability risks including use on rally fields, with a minimum indemnity of £2,000,000 any one occurrence. You will be required to produce documentary evidence that such cover is in force before entering the Rally Field. If you have any queries on this matter, please contact the Rally organiser who will be able to answer any questions regarding safety policy or insurance requirements:
